Dear Mr. Weisberg:

Just a quick note to accompany the inclosed documents which I trust you'll enjoy.

I am learning, as you have, about the way federal agencies control this issue. Regarding my request, I was amazed (I should not have been) when I compared the two documents...they completely excised the Nosenko portion which I already had on microfilm.

I'll write you a more complete letter this weekend on what I've been doing but I wanted to get these to you.

Regards to Mrs. Weisberg.

Sincerely,

John W. Masland
